Teaching Groups

So far, our pupils have largely been taught in Tutor Groups, which has helped our pupils settle and make successful transitions from primary. Tutor Groups will remain unchanged and at the core of our overall approach, but during the second half of term we will be teaching in some different mixed ability groupings. As part of this we will also be able to take more opportunities to find consolidation and extension opportunities as needs require.

Science Curriculum

All students are required to study sex education. Topics covered will include sexual intercourse, the menstrual cycle, and will be approached from a scientific point of view. This will commence on return from half term.

Parent Pay

Please ensure your accounts are topped up. For help and support:

<https://www.parentpay.com/parents/using-parentpay/help-and-support>

For those that have yet to sign up to Parent Pay please do take the time to sign up. As you know we are a cashless school and your account is not only used for meals but to pay for any future trips, visits, school items (such as ties, stationery items and so on).

25th Anniversary of Bobby Moore's death

To mark the achievements of England's great sporting leader, West Ham United will be making a short dedication for their social media platforms, which will feature some sports-related footage of our pupils. We are honoured to play our part in this after half term.
